WHOLESALE SECURE COMMERCIAL KITCHEN EQUIPMENT FROM CHINA

## Glass Polisher with 5 Brushes TT-K128

It eliminates the possibility of cross contamination from filthy cloths.

You will always get clean glasses that don't have water marks and you don't need to purchase and worry about throwing away paper towels.

The glass dryer and polisher reduces the possibility of breaking glasses, so you can enjoy improved health and safety in your workplace.

Save time! Save labor! Save time! and Safe for Operator!
